**SPECIAL MEETING**

**JAIL VIDEO RETENTION**

**SHERIFF**

At 3:00 p.m. Chairman Crankovich opened the special meeting for the update on jail video retention.

There was discussion on the required sixty day retention of the jail video and where to store it.

Commissioner Jewell asked about upgrading the current system. Jim Goeben, IT director said it is expensive and that it would cost approximately \$60,000 per year to use the Cloud for an off-site location, plus transfer fees.

There was also discussion on storage at the current data center. The IT director said they do not have enough storage capacity. They could add 40 terabytes, but they would have to run a new network between the jail and the IT department.

**CHANGE ORDER #11**

**T.W. CLARK CONSTRUCTION**

**SHERIFF**

Patti Johnson, Project Manager requested the Board approve a Change Order for 68 terabytes upgrade adding space to the closed circuit TV motion system for the jail. It would be searchable from the Jail and the Sheriff's Office.

Commissioner Jewell moved to approve Change Order #11 with T.W. Clark Construction in the amount of \$19,733.17 to add space to the closed circuit TV motion system for the jail to accommodate 60 days storage. Commissioner Crankovich seconded. Motion carried 2-0.

There was discussion on camera locations in the jail.
