**COMMISSIONERS**

At 6:33 p.m. Chairman Crankovich opened a joint Special Meeting between the Kittitas County Board of Commissioners and the Planning Commission to review draft proposed changes to the County's Comprehensive Plan and regulations in an effort to comply with the State's Growth Management Act. He noted it was a Special Meeting and not a Public Hearing, so there would be no public comment taken at this time.

Doc Hansen, Planning Official explained how the Board of County Commissioners had previously been provided copies of draft changes to the County's Comprehensive Plan and regulations in an effort to comply with the State's Growth Management Act. He said the Special Meeting was called to go over any comments or questions they may have of staff before the issues go before the Planning Commission for their Public Hearing on October 23, 2012.

The Board members asked questions of staff relating to each of the Chapters including proposed policy amendments to Chapter 2 & 8; Code Amendments regarding subdivision, zoning, water issues; proposed changes to maps and the UGA expansion for the City of Kittitas.

Chairman Crankovich recessed the meeting for 10 minutes at 7:45 p.m. The meeting was reconvened at 7:55 p.m.

Discussions continued regarding the proposed amendments and the meeting was adjourned at 8:52 p.m.
