REGULAR MEETING

DEPARTMENT HEAD

FAIRGROUNDS

Matt Anderson, Facilities Maintenance Director explained that the Event Center will be hosting an event called "Field to Fork" in February 2014. He requested that the Board consider authorizing him to make a Facebook Page for the event. The Board discussed concerns with the County and the use of Facebook. They stated that they needed to make sure that County policy is also posted on the event page and that the settings are restrictive. The Board cautioned him on having too many Facebook pages and stated that once the event is over the page needs to be de-activated.

The Board gave additional approval for Mr. Anderson's Facebook page for the Kittitas Valley Event Center page, noting it had been up and running for almost two years.

Meeting adjourned at 9:50 a.m.
