KITTITAS COUNTY, WASHINGTON
COMMISSIONERS CONFERENCE ROOM
REGULAR MEETING

MONDAY 9:40 A.M. SEPTEMBER 14, 2015

Board members present: Chairman Gary Berndt; Vice-Chairman Obie O’Brien & Commissioner Paul Jewell.

Others: Mandy Buchholz, Deputy Clerk of the Board; Sue Higginbotham, Administrative Assistant III; Jerry Pettit, Auditor and Patti Johnson, Solid Waste Director/Project Manager/Interim Maintenance Director.

REGULAR MEETING DEPARTMENT HEAD AUDITOR

Jerry Pettit, Auditor stated that his department would like to take down the interior walls in the election control room. He stated that they are preparing for the presidential election next year and realizing there are space issues even on smaller election years so this coming presidential election year will likely have them dealing with more space issues. He stated that the alternative would be for them to find a secure location to rent. He stated that if the Board approves the request it will require them to patch the floors and replace parts of the false ceiling and will result in removing the walls. He stated that this should take care of space needs for at least 4 years. The Board questioned the cost. Mr. Pettit didn’t have costs yet as he wanted the Board to give a “preliminary” approval. The Board directed Mr. Pettit to work with Patti Johnson, Solid Waste Director/Project Manager/Interim Maintenance Director and come up with the cost for the project.

Ms. Johnson, stated that she will bring back the figures next week for the Board to consider during a Department Head meeting.

Meeting adjourned at 9:50 a.m.
