Mickey Webb, Event Center Director explained that in 2002 there was a land swap for the John Wayne Trail Head and there were certain requirements that the County would fulfill, one of which would be the County would put up more signage. He stated that with the BoCC approval he would move forward with that in the 2017 budget.

The Board supported the request and specified that, a Discovery Pass will not be required on County property.

Mr. Webb stated that his second request was to close the front office on the following days, 11/23/2016, 12/22/2016, and 12/23/2016. He explained that he had no bookings and operations Staff would still be working. He stated the benefit to this is allowing staff a good stretch of time to take off since they cannot take time off around other holidays like Labor Day.

The Board stated that they could not support the request. They felt that citizens have an expectations to be able to access County offices and should be able to. The Board offered that the time off could be rotated amongst Staff so that this year one will take the time off and next year will be the other employee's turn.
