**REGULAR MEETING**

**DEPARTMENT HEAD**

**S.W./MAINT.**

Lisa Lawrence, Solid Waste Admin. Assistant/Interim KVEC Director explained that she was contacted again by the Cascade Cow Cutters (CCC) about their desire to live-stream their events. She explained that CCC contacted Fairpoint and were given a quote of \$99.00 to install and \$55.00 a month for the service. She stated that they have agreed to pay for those costs.

Chairman Jewell asked that Ms. Lawrence do further research with Fairpoint directly. He felt that the costs were awfully low and directed Ms. Lawrence to further look into this and see if anything is missing.

Doug Fessler, Network Administrator explained his theories of why the cost was so low and cautioned them. He explained that he felt the product the CCC would be receiving would be less than adequate for the space.

The Board asked Ms. Lawrence to look into it further and have the CCC sign something indicating they would pay all expenses. Chairman Jewell indicated that they still intend to look into providing these services when they come up with a plan for the Barns Project.

Meeting adjourned at 10:00 a.m.
