The Board directed the Prosecutors office to go to the next step of filing an appeal with the Superior Court against the State Liquor & Cannabis Control Board relating to GMA and issuing permits in direct contradiction to local zoning regulations. They felt it was in the best interest of the public to do so as the agency has been fast and not taking into consideration of what the law states.

Commissioner O’Brien moved to support pursuing legal action against the State Liquor & Cannabis Control Board by route of the Superior Court. Commissioner Osiadacz seconded. Motion carried 3-0.

There was discussion relating to vesting and perimeter fencing for the current marijuana producers located in the rural areas which was allowed under previous land use regulations. Commissioner O’Brien expressed his opposition to changing those which were vested. Chairman Jewell said he was not necessarily in favor of producers, but in order to be fair as long as they stay within their original perimeters and status quo, there would not be a motion needed at this time by the Board.
