DEPARTMENT HEAD

PUBLIC WORKS

Mark Cook, Public Works Director/Interim Engineer provided a report on the Palomino Fields Plat. He said he had to make an administrative decision last Friday relating to access to Palomino Fields Plat.

He reviewed the County's current review process and said they will be looking into correcting the way it's being performed between the Department of Public Works, Community Development Services, and the Building Department. Commissioner O'Brien felt the goal was to have all of the documents for permits loaded into SmartGov to allow everyone to view the same information at any time.
