

Law & Justice Study Session Minutes
February 6, 2019
Commissioners Auditorium

Meeting called to order at 0815 a.m.

Present: Commissioner Laura Osiadacz, Undersheriff Myers and HR Director Lisa Young.

Control Room Operator discussion – Undersheriff Myers indicated that the Control Room Operators are civilian positions hired out of the tax revenue, not general fund. The 12 hour shifts are all on overtime, but the Control Room Operators.

I spoke with Judy regarding the funding and she said the 1/10th jail pod has the funds for this. Commissioner Osiadacz mentioned that if funded out of 1/10, then I don't see and issue. Lisa mentioned that she will add this to her HR study session next week.

Other business – Commissioner Osiadacz asked how the Emergency Management Training process is coming along with Commander Higashiyama. Undersheriff Myers will follow up with him and then give the board an update.

Meeting adjourned at 8:37 a.m.
