September 9, 2019

Meeting was called to order at 1:31 pm

Introduction to the Deputy Fire Marshal

Director Carlson introduced Deputy Fire Marshal, Ryan McAllister to the Board of County Commissioners. Deputy McAllister has worked in fire services for over 10 years and will be a great asset to Kittitas County. His primary focus will be Fire & Life Safety inspections, fire investigation and public education.

Discussion regarding proposed fire prevention week and proclamation

Fire Marshal, Pat Nicholson introduced a proposed proclamation to the board for Fire Prevention Week. Fire Marshal Nicholson organized a coloring contest with local elementary and middle schools for the month of October. The theme of the contest would align with the Fire Prevention message this year, "Not all heroes wear capes, know two exits out." The first place prize will be a ride to school in a fire truck. The second place prize will be lunch with locals fire fighters at their school.

Quarterly Fire & Life Safety Inspections Report

Fire Marshal Nicholson briefed the board with a quarterly Fire & Life Safety report for the Fire Marshal's Office. Currently, there are 267 active businesses in the unincorporated Kittitas County. Year to date he has performed 205 inspections for these businesses. These inspections have generated over \$47,000 in revenue with \$12,000 outstanding.
