At 2:00 p.m. **CHAIRMAN WRIGHT** opened a Public Hearing to consider a speed reduction on Game Farm Road and to Amend Kittitas County Code Section 10.08.020 Speed Limits.

**MARK COOK, PUBLIC WORKS DIRECTOR/INTERIM ENGINEER** provided a Staff Report and reviewed the background and survey that was conducted of the four vertical curves following a site visit. He indicated the four vertical curves that were surveyed on Game Farm Road do not meet the national minimum standards for safe sight stopping distance at 50 MPH. Three of the curves met the requirements of 35 MPH while a fourth requires a slower speed. The Public Works Department proposed lowering the speed limit on Game Farm Road (MP 1.04 to MP 2.54) to 35 MPH and to sign the fourth curve as an advisory 25 MPH to increase safety for area residents and the traveling public.
