Update on construction allowed under current stay at home orders

Director Carlson briefed the Board of County Commissioners on the modified health orders to allow for existing construction projects to resume. As of right now, Community Development Services only is accepting inspection requests via phone to verify that the project was started before March 23, 2020. Staff is currently limiting the number of inspections per day to 45 because response for inspections has been high. Inspectors will utilize Skype for inspections when able to limit the in-person contact.

The meeting was adjourned 2:07 p.m.
