Kittitas County 2026 Periodic Comprehensive Plan Update Briefing.

CDS Director Chad Bala presented the staff report and gave an overview of the briefing scheduled for the September 9, 2025 Planning Commission meeting. He gave a reminder summary of how he had provided parallel updates for the 2024 Comprehensive Plan Amendment Process between the Planning Commission and the BOCC and asked for input on how the board wanted to receive future updates on the 2026 Periodic Update moving forward.

Brief discussion ensued which promoted utilizing a parallel updating process with some higher level synopsis, and Planning Commission/BOCC joint meetings as needed to drive good discussions back and forth and provide clarity and efficiency for the end results.
