DISCUSSION

COUNTY LOGO UPDATE

IT

Assistant IT Director Zane Kinney presented 3 of his county logo designs. The Board were most in favor of #1 and #3 that focused on using the shape of the original background mountains combined with a typography in the center. The Board was concerned that the font for #3 which used cursive would be difficult to read when the logo is shrunken for letterheads and other County assets. Mr. Kinney agreed and will work on some options to bring back that combine the positive characteristics that were discussed today.
