**SPECIAL MEETING**

**RODEO ARENA CHANGE ORDER**

**COMMISSIONERS**

At 11:00 AM Chairman Osiadacz opened a Special Meeting to review the Rodeo Arena Change Orders with Facilities Manager Patti Stacey and IT Director Doug Fessler.

Facilities Manager Stacey reviewed the fixed cost change orders that must be completed in order to provide the structural integrity required for the new arena as well comply with current County building code requirements.

IT Director Fessler reviewed a change order request that would direct the Arena Contractor to trench and install conduit for future electrical needs. Director Fessler's position is that it would be a fixed cost now that will allow for future growth as opposed to having unknown retro fitting costs in the future.

The Board directed Staff to get an amended quote for trenching and conduit placement that allows for future growth while being fiscally responsible. Facilities Director Stacey will meet with the Contractor to discuss the scope of work and bring an estimate back to the Board for review.

**OTHER BUSINESS - NONE**

The meeting concluded at 11:24 a.m.
