Public Website/Intranet Update – Discussion

Diagram Inc. continues to make steady progress on the County’s new public website. Assistant IT Director Zane Kinney reports that he’s very pleased with their work and with how the website is turning out. Mr. Kinney will soon begin scheduling training for departments – a date has not been chosen yet.

IT Director Doug Fessler and Mr. Kinney have been working on plans to implement Microsoft SharePoint to replace the County’s in-house built intranet platform. Mr. Fessler and Mr. Kinney have met with StoneShare Inc., a consulting firm who specializes in supporting small government organizations to configure and deploy SharePoint. Mr. Kinney is working with the finance team to determine a funding source for this project.
