CHECKLIST FOR OPEN SPACE/TIMBER LAND APPLICATION

1. Per RCW 84.34 and Kittitas County Resolution 2002-99 as they currently exist or may be hereafter revised:

A.) All applications for Open Space shall clearly state how the change in classification shall maintain, preserve, conserve and otherwise continue open space lands for the welfare and benefit of the general public per RCW 84.34.020 (1). Open Space criteria must conform to one or more classifications listed on Paragraph Six of the application and be accompanied by a detailed description as to confirmation in that category. Notarized easement for public use may be required from applicant, upon acceptance, if legislative authority requires public access as a condition of approval.

Kittitas County is in the process of establishing a Public Benefit Rating System for Open Space Applications. Once such a system has been adopted, Kittitas County will revisit each application approved prior to the adoption. The applications will then be rated on a point system. Point totals will establish the percentage of reduction from market value for which the property will benefit due to open space.

B.) All applications for Timber Land must be five or more acres of land only in any contiguous same ownership which is primarily devoted to and used for growing and harvesting timber per RCW 84.34.020 (3). A timber management plan prepared by a professional forester must be included with the application. Guidelines for such a plan are available from the Assessor's Office.

- ✓ 2. Within platted subdivisions, only those parcels that prohibit residential structures shall be eligible for Open Space or Timberland Classification per Kittitas County Resolution 2002-99.
- ✓ 3. All parcels per application must be in same contiguous ownership.
- ✓ 4. Owner(s) name, address and telephone number must be on application.
5. Property location must be completed.
6. Note interest in property (fee owner, contract purchaser, other-describe).
7. Complete Assessor's Parcel Numbers must be listed on application.
8. Complete legal description is required. Attach separately, if necessary. Identify improvement site(s) that do not qualify for classification at the time of application or future site(s) that applicant desires to be excluded from application. Such site(s) must be a minimum size of one acre and must be created by completing a Segregation Form, which is available from the Assessor's Office.
9. Note classification being sought. A single application may be made for both Open Space and Timberland but a separate legal description must be provided for each area of classification.
10. List total acres in application. Separate acreages required if applying for Open Space and Timber Land.
11. All owners must sign application.
12. Non-refundable application fee of \$300.00 is payable to Kittitas County Treasurer. Complete application and copy of receipt must be submitted in triplicate to Kittitas County Commissioners Office.

For further information, please contact Kittitas County Commissioners, phone (509) 962-7508 or Kittitas County Assessor, phone (509) 962-7633, both located at 205 West Fifth, Ellensburg, Washington.
