17.15.010 Categories of uses established

This chapter establishes permitted, permitted administrative, administrative conditional use and conditional uses, by zone, for all properties within Kittitas County. All uses in a given zone are one (1) of three (3) types:

1. **Permitted Use.** Land uses allowed outright within a zone classification and subject to provisions within the Kittitas County Code.
2. **Permitted Administrative Use.** Land uses which may be permitted within a zone classification following review under the provisions of KCC Chapter [17.60B](#).
3. **Administrative Conditional Use.** Land uses which may be permitted within a zone classification following review under the provisions of KCC Chapter [17.60A](#).
4. **Conditional Use.** Land uses which may be permitted within a zone classification following review and hearing under the provisions of KCC Chapter [17.60A](#).

([Ord. 2013-012](#), 2013; [Ord. 2013-001](#), 2013;)

17.15.020 Establishment of zoning use tables

The allowed use tables in this chapter establish allowed uses in the various zoning classifications and whether the use is allowed as "Permitted," "Permitted Administrative," "Administrative Conditional" or "Conditional." The zone classification is located at the top of the table and the specific use is located on the far-left of the vertical column of these tables. ([Ord. 2013-012](#), 2013; [Ord. 2013-001](#), 2013;)

17.15.030 Interpretation of tables.

1. **Legend.** The following letters have the following meanings when they appear in the box at the intersection of the column and the row:
 - P Permitted Use
 - PA Permitted Administrative Use
 - AC Administrative Conditional Use
 - CU Conditional Use
2. **Definitions.** Uses defined in KCC Chapter [17.08](#) are indicated with an asterisk (*).

3. **Additional Use-Related Conditions.** The small numbers (superscript) in a cell indicate additional requirements or detailed information for uses in specific zones. Those additional requirements can be found in the footnotes that follow each allowed use table. All applicable Federal, State and local requirements shall govern a use whether specifically identified in this chapter or not.
4. The Director has the authority to allow uses that are substantially similar to an allowed use listed on the table subject to the same review procedures as the substantially similar use. In such cases, all adjacent property owners shall be given official notification for an opportunity to appeal such decisions within ten working days pursuant to Title [15A](#) of this code, Project permit application process, except in the case of PUDs located inside the UGA where determination of substantially similar uses shall be made by the planning commission during review of the development plan required under KCC [17.36.030](#).
5. **Accessory uses.** The administrative official has the authority to permit uses that are customarily incidental to an allowed use listed on the table.
