Mr. Torrance-Smith:

The Department of Health (DOH) Office of Drinking Water (ODW) has reviewed the application generating the following comments:

- The ADU and existing residence - 2 "connections" to a shared well - do not meet the definition of a public water system.
- If this property adds a third connection, then the shared well meets the definition of a Group B public water system.

If anyone has any questions or concerns, please contact DOH ODW.

Thanks,
