Jamey – this particular campground raises numerous addressing related issue. We view this as an opportunity to reset and make sure that the addressing architecture is correct, the sites addresses are logical and follow a pattern, and that all sites are clearly marked from both directions of travel. This is a public safety issue that has existed for years. As it stands now, the addresses do not validate as 1000 Mountain River Trails Rd #10A, #6F, 14B, Clubhouse, etc.
