Zach – We added a note to the site plan but to clarify all homes are on the Thorp Water system and do not have wells. The “stream” is the Thorp Mill Ditch. It is not relevant to the application but we can add it.

Thanks,

Dear applicant,

We are processing your Boundary Line Adjustment and we are going to need some additional materials added to your site plan in order to be able to deem your application “complete” and move forward with the process of reviewing it with other departments.

Please add the following elements to your site plan:

- Well heads.
- There is a stream that is showing passing through parcel 389133, that will need to be reflected on the map.

Let me know if you have further questions.

Zach Torrance-Smith
