Kelly,

After looking just now I find it interesting that quite a few of these comments were not on line when I looked on March 4th, thus my request. Transparency is the key to anything nowadays, and I just wanted to make sure to have all the information.

Please accept this email as part of the record and included into the file CU-23-00001, so that I will receive any future correspondence associated with this project.

Regards,

Chad

I have reviewed the online file, and as with my experience with the online stuff, I know that all comment sometimes don't make it there.
