Dear Kelly,

As a small scale beef producer and county resident I want to express my support for the proposed facility to be built at 3200 Wilson Creek Rd. It will provide our family with a much better opportunity to process our beef locally. I'm excited about the care being taken in the planning and implementation and feel it is a tremendous addition to the community. It is also within a few miles of our home allowing us to be able to provide our own transport.

Thank You,  
Heather Clark
