Hello,

We are writing regarding the Conditional Use Permit application for Fowler Creek Guest Ranch.

This proposed commercial scale project would have a significant impact on the surrounding community. This area is already struggling with egress issues due to I-90 overflow traffic during peak use periods. There are serious safety and environmental concerns associated with this proposal.

We politely request an extension of the comment period so those who would potentially be impacted have a chance to respond.

Thank you,

Briana and Jeremy Beckley
