Good afternoon,

I am writing in regard to the proposed Fowler Creek RV Park in Cle Elum. As a part time resident of the Granite Creek neighborhood I have many concerns regarding the proposal. Unfortunately, as a full time Texas resident I was not aware of the proposal until recently.

1. There appears to be a conflict of interest as the developer of the proposal is also a member of the Kittitas Planning Commission. The community has the right to know when a conflict of interest exists and the resolution.
2. Given the scope of the project, there will be sever impact to traffic, wildlife (see pics from my property located at 271 Quad Dr) and wetlands.
3. Deficiencies in EMS/Fire/Police, etc. Our community is growing faster than the infrastructure. It seems the infrastructure must be addressed prior to the project moving forward.

I ask the Commission to strongly consider the opinions and sentiments of the community of which the Commission serves.

Sincerely,
Chad Buscho
