Jamey,

Please stop Fowler Creek LLC from moving forward with this project. My neighbors and I love the peace and quiet around our homes. This development would completely change the environment. Our community is growing faster than our town can keep up with and this would only increase the amount of people in the area. Our peaceful environment that we have been blessed with should not be exploited for financial gain. I ask you to please stop this project from moving forward to preserve the way of life in my community.

Thank you for your time,
Colton Park
