Thank you for the update. We want to know how long will it be before they sneak in or bootleg the reduced portions. We have enough camp sights in Kittitas We are against Fowler Creek Guest Ranch. And have not changed our minds. If this goes threw it will only be the beginning of more to come.,I do not think it fare they keep getting extensions on there proposals.

Good Morning, Fowler Creek Guest Ranch has reduced the size of the initial project and made additional alterations to the proposal in response to the comments received from the initial extended comment period. CDS received a request for an additional comment period to respond to the alterations and we have decided to send the project back out for notice. The requestors asked for a 60 day comment period however, nowhere in County Code is there a provision for a 60 day comment period. KCC 15A.03.060 (f) states “A statement of the public comment period, which shall be not less than 14 nor more than 30 days following the date of the notice of application.” The notice of revised application is attached and includes a 30 day comment period that will end on July 26, 2024 at 5:00 pm.
