Jamie,

My wife Debbie and I have just heard of the Conditional Use Permit application for "Fowler Creek Guest Ranch".

We just became aware of this proposal just a few days ago. It looks like this notice was sent out less than 2

weeks ago on September 19th. We live less than a mile away from this proposed site and never were

given proper notice by mail or have seen any written notice posted along Fowler Creek, FSR 4517 or

Westside roads.

We respectfully request that more time be given us to understand this proposal and the impacts to our

neighborhood. Also, we do not understand the MDNS or optional MDNS process and need time to research

the value and impacts of these processes being accomplished or not.

Please allow us to have additional time to consider and understand this proposal and future impacts to our

area.

Roger and Debbie Greene
