Dear Mr. Ailing,

I am reaching out with respect to the comment period for the Conditional Use Permit application for "Fowler Creek Guest Ranch".

Given the size and complexity of this project and the potential impact to community, wildlife, egress, pollution, and safety, I would like to ask that you extend the comment period. This will give everyone who would like to comment a chance to do so, and will give me more time to develop cogent and clear input. I just learned of the proposal over the weekend.

Thank you for considering,
