Hi Jamey,

I am writing in regards to the Conditional Use Permit application for "Fowler Creek Guest Ranch", CU-23-00003.

I just recently learned of the project through neighbors. Although I live just up the road from the project on FS Rd 4517, I was not sent a notification letter. There are a lot of documents to go through. I haven't even had time to read them all. This project is of great concern to me, and I believe it will have a detrimental effect on our community, wildlife and safety, especially given that there is only one way in and out of our community. I would like to ask for an extension of the comment period.

I know that with this limited window for initial comment, not everyone who would like to comment will have had the opportunity, and our comments will lack completeness.

Thank you for your time and consideration.
