Thank you for contacting the Yakama Nation Cultural Resources Program regarding the proposed undertaking located within the traditional territory of the Yakama Nation. We do not see reports available on DAHP to confirm statements made within the SEPA checklist regarding cultural resources. The DAHP WISAARD project does not have the Yakama Nation as a point of contact. There are numerous previously recorded sites within proximity to the proposed undertaking. Our office has concerns about impacts to Yakama Traditional Cultural Properties. Is there a formal initiation letter from the BLM? The SEPA indicates resources associated with Native American landuse were identified. Precontact sites are protected under State Law from disturbance.

We may have further comments pending additional information.

Regards,
