Hi Jim,

Thank you for the follow up. You are welcome to email me a copy if that is easier for you. Either way, I'll look for an updated copy from you. Thank you for working with Laura to update the checklist. Once we get that back, I'll continue working on the SEPA & conditional use permit.

Best,  
Bradley

Bradley,

It looks like Laura and I were not connecting. I have now fixed the name of the creek error (It appears as Wilson Creek on Apple Maps) it has now been fixed. I will bring in a copy of the corrected document into Ellensburg with me today.

Thank you again for all of your assistance.

Jim

Bradley,

The first two clarifications were typos, which have been fixed, my apologies. I should have caught those.

The second one, which refers to Wilson Creek, is our error that we did not reference that it was a tributary of the Yakima River in section 3 c. a) as we did in section 3 a 1? If so, I fixed that as well and will email the fixed document back to you unless you would like me to return it to you in hardcopy, which I can do tomorrow.

Thank you,

Jim
