Mr. Torrance-Smith:

The Department of Health (DOH) Office of Drinking Water (ODW) has reviewed the application, generating the following comments:

1. Do guests have access to on-site water for rest-room usage or for hand-washing or filling water bottles for human consumption?
2. If “yes”, how many guests are expected: per day, per week, per month, across the entire year?
3. Confirmation of the total number of buildings that have water and the number of hydrants placed around the site.
4. Based on the above, DOH ODW can determine if this would be a public water system and be Group A or Group B.

Thanks,

**Russell E. Mau, PhD, PE**
