Good morning,

CDS has received Final Plat application for Stanavich AG Plat LPF-22-00008. The Preliminary Agricultural Plat was given approval by the Hearing Examiner on May 31, 2022. I have provided a link below to the application materials, and have attached a copy of the Hearing Examiners Decision on the Preliminary Plat for quick reference. Please let me know if there are any questions or issues accessing the file.

Please have all comments back to me no later than 5pm (PDT) Friday, December 9, 2022. If CDS has not received a response by then, staff will assume your agency has no comments and the plat can be approved/signed by your department. As a reminder, all final plats have to be reviewed and approved, denied or returned to the applicant within 30 days of filing under RCW 58.17.140(2).
