### **RE: Wildcat Plat Final Plat (LPF-25-00006) – Request for Additional Information**

Dear Applicants,

Kittitas County Community Development Services (CDS) received the Wildcat Plat Final Plat (LPF-25-00006) submittal on November 3, 2025. Final Plat applications that are found to be complete must be processed and approved within 30 days of the submittal date. Kittitas County staff has previously sent correspondence to project applicants regarding the need for additional information to address stated requirements by agencies. A request for additional information was previously transmitted on November 19, 2025 and the last communication received from the applicants regarding this project was on January 15, 2026.

In order to facilitate processing this project in a timely manner, please have the additional information required by commenting agencies submitted to Community Development Services by **5pm on June 30, 2026**. If the applicants are unable to provide the needed compliance information by June 30, 2026, CDS will then require that the applicants apply for an appropriate extension.

Please provide the required documentation to satisfy final plat requirements. Once received, CDS will route the information to the various departments for review. Should you have any questions or concerns regarding this letter, please do not hesitate to contact me at (509) 962-7079 or via email at [zach.torrancesmith@co.kittitas.wa.us](mailto:zach.torrancesmith@co.kittitas.wa.us)
