Mr. Pedersen:

The Department of Health (DOH) Office of Drinking Water (ODW) has reviewed the application and has the following comments:

1. The use of on-site drinking water meets the definition of a public water system.
2. The type of public water system appears to meet the definition of a Group B water system.
3. Kittitas County Health is the exclusive regulatory authority for Group B water systems in Kittitas County.

If anyone has any questions or concerns, please contact DOH, thanks,

Russell E. Mau, PhD, PE
