Dear Bradley Gasawski:

Thank you for the opportunity to comment during the Notice of Application for the CWU Aviation proposal. We have reviewed the documents and have the following comments.

Solid Waste Management Program

Construction, demolition and land clearing (CDL) debris can often be recycled for less than it costs to landfill the materials. Please visit www.1800recycle.wa.gov or contact Canming Xiao at canming.xiao@ecy.wa.gov to see if there are facilities in the area that will accept your demolition wastes.

Ecology's comments are based upon information provided by the lead agency. As such, they may not constitute an exhaustive list of the various authorizations that must be obtained or legal requirements that must be fulfilled in order to carry out the proposed action.

If you have any questions or would like to respond to these comments, please contact the appropriate reviewing staff listed above.

Sincerely,

Amber Johnson
