Hi Chris,

Thank you for the follow up email. As discussed, I have attached an updated deemed complete letter for your records to reflect your intentions of an accessory building with driveway.

Best,
Bradley

Bradley thank you for taking my phone call, I got to thinking after I hung up that I probably better get in writing what we talked about on the phone. As I said on the phone my concern is that the description of what I'm trying to build documented in this email is not what I actually requested. That being an accessory building. Second, which I didn't talk about on the phone would be needed clarification on a driveway to access from the road. What I would like clarification on is which road that you are referring

to? Are you speaking of the existing Jay Way private road that has been serving all of the lots off of Jay Way since it's legal inception/build?

Thank you for your time and help.
