Good Afternoon Ed,

I wanted to follow up with you on the request for the square footage impact of the accessory building on the wetland buffer. This is the property for Chris Immer at 101 Jay Way Rd, Snoqualmie Pass, WA. I've added a pdf I marked up with a blue hatched polygon. This polygon represents the shops area of impact within the wetland buffer. This is the area we are wanting the square foot number. This is what I was asking Chris for. Thanks Ed.

Best,
Bradley
