CAUTION: This email originated from outside the Kittitas County network. Do not click links, open attachments, fulfill requests, or follow guidance unless you recognize the sender and have verified the content is safe.

Do not approve of the Park Creek landing zoning changes, we do not need this development and it will destroy much critical needed land for our wildlife. We have had enough encroachments into our wildlife areas that they are seen as a threat to our communities. (,ie wild animals).

Thank you.
