To whom it may concern,
We live approximately 1.25 miles West Northwest of the proposed Parke Creek Landing project and are writing to oppose the development of an Off-Road Vehicle (ORV) area, (Tract B), within the project. The description of what the ORV area is going to be actually used for is unclear although it mentions various options and the days and hours of operation seem very excessive. We fear that the allowance of the ORV area and the noise associated with will negatively affect our quality of life and diminish the value of our property and dwellings.
Respectfully,
Rodney & Janielle Paul
10450 Lyons Rd.
Ellensburg WA.
