Ms. Myers:

The Department of Health (DOH) Office of Drinking Water (ODW) has reviewed the application and has the following official comments:

1. The applicant proposes a new groundwater well to provide water, for “drinking” water uses, within the proposed building – DOH ODW seeks the following information:
  - Is the proposed property within the service area of the “Easton Water District” (ID #42700)?
  - What is the number of persons who will be on-site per day and per month?

Depending on responses to these questions, DOH ODW will provide additional guidance.

If anyone has any questions or concerns, please contact DOH ODW, thanks,
