CAUTION: This email originated from outside the Kittitas County network. Do not click links, open attachments, fulfill requests, or follow guidance unless you recognize the sender and have verified the content is safe.

Ms. Myers:

The Department of Health (DOH) Office of Drinking Water (ODW) has reviewed the application generating the following official comments:

- A shared well – shared by two single-family homes – is a private well and not subject to public drinking water regulations.
- If the applicant were to add a third connection to this common well whether another property or an additional structure or apartment on one of the current properties, then the use of the well would be public requiring public water system review. In this case, the water system would be a “Group B” and under the exclusive administration by Kittitas County Health.

If anyone has any questions or concerns, please contact DOH.

Thanks,

Russell E. Mau, PhD, PE
