Hi Ellie,

I typed this out and it is unclear if I sent it over before the comment period ended. Is there a way to get these notes to the landowner and/or have them contact me?

This parcel lies within the Kittitas Reclamation District boundaries and will be required to meet the KRD's Division guidelines. Please contact KRD for a copy of the policy. The landowner will need to work with KRD to develop a Water Distribution Plan ensuring that all parcels are able to receive their irrigation water from the designated diversion on KRD's South Branch Canal. Additionally, the KRD will be piping the South Branch Canal in the Fall of 2025. The diversion for irrigation water will remain the same however there is existing privately owned piping that is lying within the federal right-of-way and will need to be moved to private property for continued use.

Thank you,

Sara Vickers
