Mr. Torrance-Smith:

The Department of Health (DOH) Office of Drinking Water (ODW) has reviewed the application generating the following official DOH ODW comments:

1. Will the two homes continue to share the well?
2. As a 2-home, shared well, the water system meets the definition of a private water system.
3. If they will continue to share the well, any additional connection(s) to this well would meet the definition of a public water system – in this case, meeting the definition of Group B.
4. Kittitas County Health has exclusive authority regarding Group B public water systems.

If anyone has any questions or concerns regarding these comments, please contact DOH.

Thanks,

Russell E. Mau, PhD, PE
