Good Morning Zach

Thank you for contacting the DAHP about this project. Please see the attached letter from the DAHP recommending an archaeological survey by a firm familiar with cemetery exploration of the project area prior to ground disturbing activities. The project area is immediately adjacent to an historic cemetery; it is not uncommon for historic cemeteries to have burials outside the designated perimeter. I have assigned Project Tracking # 2026-05-03452 to your project. Please include this number with all correspondence about the project.

Feel free to contact me if you have questions about these recommendations.

All Best

James
