Mr. Gasawski:

The follow-on DOH ODW comments are:

1. The proposed development represents two (2) connections: the home and the ADU.
2. The Snoqualmie Pass Utility District (81048F) has capacity to serve these additional connections.
3. Due to DOH ODW operations, the Snoqualmie Pass Utility District is managed through the DOH ODW Engineer assigned to King County (Brietta Carter, who is Cc'd on this email). Any additional comments will be provided by Brietta.

Hi Russel,

The applicants are in discussion with Snoqualmie Pass Utility District to get utilities in the road and to the needed parcels. Let me know if this information changes your comments. Thanks.

Best,
Bradley

Mr. Gasawski:

The Department of Health (DOH) Office of Drinking Water (ODW) has reviewed the application generating the following official comments:

1. Is the applicant's property served by a public water system? DOH sees reference to both "West Water" (a now inactive public water system because of consolidation into another public water system) and Snoqualmie Pass water system that is an active water system.
2. DOH ODW will have additional comments if the response to the above comment is "yes".

If you have any questions or seek clarification, please contact DOH ODW.

Thanks,
