Hi Ellie,

We've completed our review of the VA-25-00007 Dempsey Zoning Variance application.

The proposed undertaking falls outside of what the Colville Business Council has delineated as the traditional territories of the tribes which compose the Confederated Tribes of the Colville Reservation, and we recognize that there may be other interested parties, particularly tribal partners, who have more immediate concerns for the potential effects of this undertaking to resources of historic, cultural, or religious significance.

We will defer to the judgements or concerns of those groups with regards to this undertaking.

Thank you,
