

Narrative for 1011 Sky Meadow Dr., Cle Elum 98922

Parcel ID: 116734

Map #: 19-16-17050-0003

Legal: SKY MEADOWS #4, LOT 3

Proposal is to construct a 28 x 28 Detached Pole Barn/Garage for personal vehicle and storage use.

Due to topography of parcel, a 25' front and 15' side set back would not allow the property owner to utilize his property to his best advantage. We would wish to apply for a Zoning Variance to reduce both the ~~east~~ side set back to 5', if possible and most important, the front set back to 10'. We request to vary from KCC 17.30A.050.
