CAUTION: This email originated from outside the Kittitas County network. Do not click links, open attachments, fulfill requests, or follow guidance unless you recognize the sender and have verified the content is safe.

Ms. Myers:

The Department of Health (DOH) Office of Drinking Water (ODW) has reviewed the application generating the following comments:

1. Based on the narrative, a single groundwater well will be serving the primary residence and the second residence on the property. By regulatory definition, a single well serving two homes is not a public water system.
2. If a third residence or other connection using water is connected to this same well, then that meets the definition of a public water system – and the applicant would need to complete a Group B water system application.
3. Kittitas County Health exclusively administers Group B water systems.

If anyone has any questions, please contact DOH, thanks,

Russell E. Mau, PhD, PE

Regional Engineer
Office of Drinking Water
Washington State Department of Health

Hello Ellie,

This compliance review is in response to AU-25-00006 Graf. This project involves ground disturbing activity related to the construction of an Alternative Dwelling Unit and associated infrastructure. The project area is considered Low Risk for an Inadvertent Discovery of cultural resources.

We request an IDP be in place prior to project implementation.

Sincerely,

Connor Armi | Archaeologist Senior MA, RPA

Memorandum

Date: April 1, 2025
To: Ellie Myers, Kittitas County Community Development
From: Darin Yusi, Gas Engineer 
Re: Graf ADU Project – KC25-002 / AU-25-00006

The following are the City of Ellensburg Gas Division comments for the proposed ADU project at 2601 Hannah Road.

Natural Gas:

There is a natural gas utility map attached showing the existing infrastructure in the vicinity of the proposed project. The existing residence has a service line that runs from Hannah Rd to the northeast corner of the residence.

There are no direct requirements by the City Gas Division for the proposed short plat as presented.

If at any time in the future natural gas is desired for new buildings, please visit the City webpage or call the City Energy Services Department for information on natural gas service.

Statement from the Gas Division regarding the new building codes: *With growing concerns about whether existing or new buildings can utilize natural gas, I would like to inform the applicant that there have been no laws, codes, or rules in Washington State or with the City of Ellensburg prohibiting the use of natural gas. The building/energy codes that went into effect on March 15, 2024, have more stringent energy code requirements for certain buildings that **may** increase costs to utilize natural gas. However, none of the code changes prohibit natural gas use. The City Gas Division is still serving all customers that desire to utilize natural gas for their energy needs.*

For any further questions or clarifications regarding these comments or the proposed project, please contact myself at 509-962-7229.

**Know what's below.
Call before you dig.**

Remember to always call 811 (the One-Call Underground Utility Notification Center) prior to any excavation on private property or in the right-of-way.

CAUTION: This email originated from outside the Kittitas County network. Do not click links, open attachments, fulfill requests, or follow guidance unless you recognize the sender and have verified the content is safe.

Hello Bradley Gasawski,

Thank you for contacting the DAHP about above-referenced project. The project is in an area determined to be at Low- to Moderate- risk of containing archaeology according to the DAHP predictive model. However, the current project has a small footprint, therefore, the DAHP does not recommend direct archaeological supervision of the project but rather recommends that an Inadvertent Discovery Plan be followed.

Please note that this review reflects only the opinion of the DAHP, and any comment from Affected Tribes would be taken into consideration and could change our recommendation.

I have assigned these recommendations to DAHP Project Tracking Number 2025-02-00645. Please reference this number in any future communications about this project.

Feel free to contact me if you have questions about these recommendations.

External Email

Good Morning,

CDS is requesting comment on the following short plat application: SP-25-00001 Graf. Links to the file materials can be found below. The comment period will end **February 4, 2025, at 5pm**. CDS will assume your agency does not

wish to provide comment if not received by this date. Please let me know if you have any issues accessing the materials.

Internal Link: [SP-25-00001 Graf](#)

External Link: [SP-25-00001 Graf](#)

If the links above do not work, please go to the CDS website at:

<https://www.co.kittitas.wa.us/cds/land-use/default.aspx> and navigate to “Short Plats – 2018 and Forward - Preliminary” and then the project file number “SP-25-00001 Graf”.

Best,
Bradley

KITITAS COUNTY

DEPARTMENT OF PUBLIC WORKS

MEMORANDUM

TO: All Staff
FROM: Public Works Plan Review Team
DATE: April 10, 2025
SUBJECT: AU-25-00006 Graf

ACCESS	<ol style="list-style-type: none"> 1. An approved access permit shall be required from the Kittitas County Department of Public Works prior to creating any new driveway access or altering an existing access. 2. Driveway to ADU must meet 2024 Kittitas County Code Title 12 requirements for fire, life, and safety. 3. Maintenance of driveway approaches shall be the responsibility of the owner whose property they serve. The County will not maintain accesses. 4. Any further subdivision or lots to be served by proposed access may result in further access requirements. See Kittitas County Road Standards. 5. In addition to the above-mentioned conditions, all applicable Kittitas County Road Standards apply to this proposal. Access is not guaranteed to any existing or created parcel on this application. (JS)
ENGINEERING	Except as exempted in KCC 14.05.060, no grading or filling upon a site involving more than one hundred (100) cubic yards shall be performed without a grading permit from the County Engineer or Public Works designee (KCC 14.05.050). An application for grading in excess of five hundred (500) cubic yards shall be accompanied by an engineered grading plan (KCC 14.05.080). (CP)
SURVEY	No comments. (JS)
TRANSPORTATION CONCURRENCY	No comments. (JS)
FLOOD	Parcel #841133 is not mapped within the FEMA identified special flood hazard area (100-year floodplain). A floodplain development permit is not required for the proposed project. (SC)
WATER MITIGATION/ METERING	Per KCC 13.35.027 water mitigation and metering will be required for the ADU because it is a new use of ground water. Parcel #841133 is located within the OTC service area for the Kittitas County Water Bank. Please call the Kittitas County Public Works Water Resources program at (509)962-7523 to discuss mitigation options and metering requirements. (SC)
AIRPORT	No comments. (JS)

Please contact Kittitas County Public Works (509) 962-7523 with any questions.
